

Kol HaNoar @ GJC
NEW! For Kids in Grades K-2
and their families

Join Rabbi Adam for this NEW family program followed by a Shabbat Dinner. Modeled after our highly successful Tot Shabbat program, this celebration is geared toward kids in Grades K-2 and their families. We will use Siddur Kol HaNoar (The Voice of Children) along with stories to help children learn the prayers and songs of the Shabbat service.

Parents and kids can then socialize over a simple yet delicious catered meal.
